### **Directions from the M5**

Leave the M5 at Junction 27 (Tiverton) and take the A361 towards North Devon / Barnstaple and South Molton.

Take the exit for South Molton and drive through the town following signs for Torrington. Once out of the town you will travel approx 8 miles to UMBERLEIGH BRIDGE (With the rising sun pub in front of you).

Turn right onto the A377 and then after about ¼ mile there is a sign for High Bickington. This road leads to Atherington; continue to follow signs for High Bickington.

As you enter High Bickington, there is a traffic calming system, with new houses on the left, take the next right into a road called Barton Meadow Road (the road goes through a newish housing estate). Follow this road until you get to the bottom of the hill (approx 1 mile). We are located at the bottom of this hill on the left, with a long gravel drive. Please drive up the drive and park to the left of roundabout in front of the mill wheel (spaces are marked by labels) and walk up to the main house where there is a phone as a doorbell!

### **Directions from Exeter**

Follow the A377 out of Exeter towards Barnstaple, it is about 30 miles to the turn off to High Bickington, this is sign posted in the village after Portsmouth Arms. Take the left turn and follow up the hill. Turn right at the top and follow the road into the village of High Bickington. The last road on the left of the village just before the traffic calming system is Barton Meadow road. (The road goes through a newish housing estate). Follow this road until you get to the bottom of the hill (approx 1 mile). We are located at the bottom of this hill on the left, with a long gravel drive. Please drive up the drive and park to the left of roundabout in front of the mill wheel and walk up to the main house where there is a phone as a doorbell!
